ALLIANCE

BUSINESS ADVISING

IS YOUR COMPANY POISED FOR GROWTH?

The MetroHartford Alliance is pleased to partner with CTNext, a program of Connecticut Innovations, to offer free growth advisory services to eligible companies in our Region. By bringing companies with high growth potential to scale, we believe we can increase employment and strengthen economic stability in the Hartford Region.

PROGRAM VISION

If your company is located in the Hartford Labor Market Area, has high growth potential, brings in \$500,000 to \$50 million in annual revenue and employs between five and 100 employees, it may be a prime candidate for growth advisory services. The first 12 months of this program are funded by a generous grant from CTNext.
